Norwegian HPH network

# Member privileges and obligations

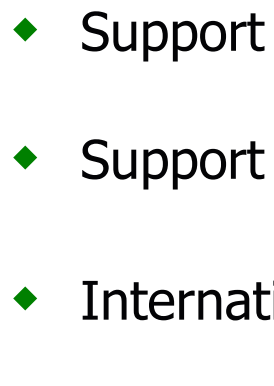

Presentation for Newcomers' Workshop

Taipei 2012

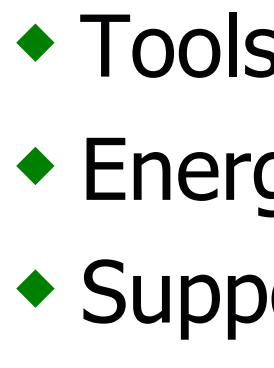

# What do we get out of joining the HPH network?

- ◆ Access to a network of over 800 hospitals and health services who have seen the benefit of working with health promotion
- ◆ Invitations to join research projects – and at the same time access to a network of possible partners for research you want to do
- ◆ A network where you can spread knowledge about tactics and methods you use, research you have done etc
- ◆ Access to new knowledge – about organisational and professional development and HP strategies
- ◆ The possibility of taking part in international task forces and working groups. Possibility to initiate such groups.

- 
- ◆ Support from the International Secretariat
  - ◆ Support from national/regional coordinating institutions
  - ◆ International HPH conferences and WHO schools
  - ◆ International website, the new scientific journal, newsletter, social media – Facebook, Twitter, LinkedIn
  - ◆ Tools such as HPH standards, guide for healthy workplace, SEMT on children's rights in hospital, standards for equity in health

- 
- ◆ Tools – that bring framework to life
  - ◆ Energy and direction
  - ◆ Support
  - ◆ Inspiration

# Norway - privileges

- ◆ The national coordinator works full time with the network
- ◆ A professor works 20% at the secretariat with developing a joint research project
- ◆ The secretariat is placed in a living HP environment at the only Centre for Health Promotion in a Norwegian hospital
- ◆ The network is lead by a steering committee with highly knowledgeable and enthusiastic people who believe that HP makes a difference. Who also work with lobbying.

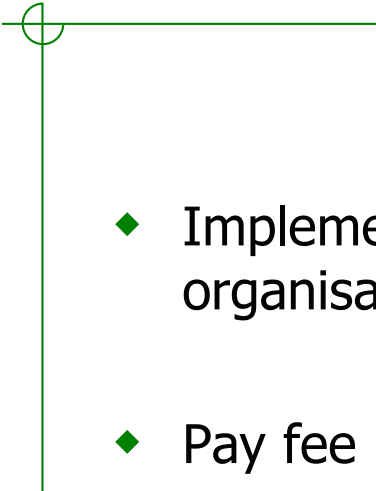

- ◆ National working groups on specific topics for exchange of knowledge and who work on common projects
- ◆ A national strategy with a detailed yearly work plan
- ◆ Seminars
- ◆ Website
- ◆ Newsletter

# Obligations

- ◆ Support the principals of international documents such as the Ottawa charter, Vienna recommendations etc
- ◆ Management support (signatory to LOI)
- ◆ Smoke-free policy
- ◆ Identify a local coordinator – local working group

- 
- ◆ Implementation of a culture for health promotion in the organisation aimed both at patients, staff and local community
  - ◆ Pay fee
- 
- ◆ You get from the network what you put into it

# Norway - obligations

- ◆ Norwegian HPH strategy
- ◆ Take part in the national working groups
- ◆ Advocacy
- ◆ Share experiences
