The HPH Letter of Intent for Affiliated Members

In accordance with the HPH Constitution Article II §3 and the HPH Affiliated Membership Document approved by the HPH General Assembly and Governance Board, entities that support HPH and work with health promotion aimed at patients, staff, community and the environment, but are not eligible for normal hospital or health service membership, can apply for Affiliated HPH Membership. Examples on such entities could be Universities, Nursing Schools, National Board of Health, Local Health Organisations, and International Organisations with a focus on Health Promotion, etc.

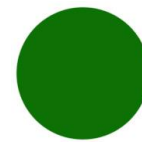

To join HPH as an Affiliated Member or renew affiliated HPH membership, the Letter of Intent (below) must be filled out.

New Affiliated HPH Members

Any new organisation applying for affiliated membership must fill out and submit the HPH Letter of Intent. This letter affirms the commitment of your organization to respecting the mission of the HPH Constitution and supporting implementation of health-promoting activities, strategies and policies.

Renewing Affiliated HPH Members

All Affiliated HPH Members must renew their membership every 4 years by filling out this document again. This re-affirms the commitment to HPH and also it allows the Secretariat to note any changes in contact details etc.

Letter of Intent - Affiliated Member

This Affiliated Member Letter of Intent, signed by management, is a declaration that the member organization will support the Constitution of the International Network of Health Promoting Hospitals and Health Services (HPH) and implementation of health promoting activities according to the HPH Constitution and the strategies and policies as defined by WHO (i.e. Ottawa Charter, Budapest and Vienna declarations).

By joining the International HPH Network the Affiliated Member commits itself to:

- Support the common HPH goal of a better health gain by improving the quality of care, the relationship between hospitals/health services, the community and the environment and the conditions for and satisfaction of patients, relatives and staff
- Support the work towards fulfilment of the mission, purpose and objectives of the International HPH Network, as defined in the HPH Constitution
- Be subject to the approval of the Governance Board, after which membership will run for an initial period of 4 years
- Pay the international membership fee for Affiliated HPH Members, regulated by the General Assembly

Additional National / Regional affiliated membership criteria, if applicable:

Additional agreements made regarding contribution to National / Regional Network funding, if applicable:

Code of Ethics

The International HPH Network promotes high standards for professional ethics and practices. Accordingly, Affiliated Members also commit to act in a manner that promotes integrity and is consistent with accepted ethical and legal principles. First and foremost, this means that Affiliated Members should comply with applicable laws, regulations, policies, and ethical principles governing professional practice and related activities and oppose behaviour that violates accepted ethical or legal principles. They should also at all times provide accurate, complete and truthful information as well as ensure fairness and avoidance of commercial product endorsement or advertisement. Further, affiliated members should at all time support the mission, objectives, policies and legal principles of both WHO and HPH. Finally, in the box below, affiliate members should disclose accurately all information about potential conflicts of interest, including compensation, stock ownership, intellectual property considerations or other direct or indirect financial benefits related to potential membership and / or collaboration to ensure full transparency.

Potential conflicts of interest, if applicable:

The Letter of Intent for Affiliated Members shall come into force on the date of signature, and will run for a period of four (4) years from that date.
